

# Consent Statement for the Use of Artificial Intelligence (AI)

*At Queen Street Medical, we are committed to providing you with the best possible medical care.*

*As part of our dedication to staying at the forefront of medical technology and improving patient care we may use the artificial intelligence (AI), **Nabla Co-Pilot**, in your healthcare.*

## What is AI?

AI refers to computer programs and systems that can perform tasks that typically require human intelligence.

In our medical practice, AI may help in improving overall patient care.

## How AI May Be Used

Consult Assistance: Nabla Copilot AI may assist our healthcare professionals in transcribing your consult to help us provide more detailed consult notes in your patient record.

## Your Consent

By continuing to receive medical care at Queen Street Medical, you acknowledge and consent to the use of AI in your healthcare as described above.

Your medical information will be treated with the utmost confidentiality and in compliance with all relevant New Zealand laws and regulations.

## Your Rights

You have the right to ask questions, seek additional information, and request alternatives to AI-assisted care.

Your consent is voluntary, and you may withdraw it at any time without affecting your access to our medical services.

## Contact Us

If you have any concerns or questions about the use of AI in your medical care, please do not hesitate to talk to your doctor or nurse when you are in your consult. Your comfort and understanding are important to us.

**Thank you for entrusting us with your healthcare needs.**
